In re: 2002 Membership and Financial Report of the  
District of Nebraska Branch of the Historical  
Society of the United States Court in the Eighth  
Circuit

Dear Ms. Fessenden:

This letter constitutes the 2002 membership and financial report for the District of Nebraska Branch. I apologize for the delay in submitting this report, and promise to be more prompt in the future.

**MEMBERSHIP.** In 2002, renewals of prior memberships were not been strong. Our membership in 2002 stood at 28 members. However, as an aside, 2003 memberships are coming in much stronger, due in large part to the willingness of the Clerk of the Court to include copies of our membership application in its mailing to attorneys due for renewal of their fee to the United States District Court for the District of Nebraska. Thus, we expect to report a sizable increase in membership in the 2003 report.

**FINANCIAL SUMMARY.** The District's financial report is as follows:

June 30, 2001 Balance	\$11,916.36
Interest Earned	240.16
Membership Dues	800.00
June 30, 2002 Balance	<u>\$12,956.52</u>

Respectfully submitted,

  
FRANK J. MIHULKA  
Treasurer
