

JUDICIAL COUNCIL OF THE EIGHTH CIRCUIT

JCP No. 08-23-90110

In re Complaint of John Doe¹

This is a judicial complaint filed by a civil litigant (“complainant”) against the United States district judge who dismissed the complainant’s case.

The judicial complaint alleges that the district judge is conspiring with others to, among other things, unlawfully take the complainant’s property, including religious material; force the complainant into “remote viewing programs” with the CIA, FBI, and NSA; and violate the complainant’s rights using an unmanned aircraft. The judicial complaint also alleges that the district judge has obstructed justice and acted in a hostile manner toward the complainant.

I have reviewed the judicial complaint and accompanying materials. The allegations must be dismissed as “frivolous, lacking sufficient evidence to raise an inference that misconduct has occurred.” 28 U.S.C. § 352(b)(1)(A)(iii); *accord* Judicial-Conduct and Judicial-Disability Proceedings of the Judicial Conference of the United States (J.C.U.S.) Rule 11(c)(1)(C), (D).

¹Under Rule 4(f)(1) of the Rules Governing Complaints of Judicial Misconduct and Disability of the Eighth Circuit, the names of the complainant and the judicial officer complained against are to remain confidential, except in special circumstances not here present.

Accordingly, the judicial complaint is dismissed.
